**Information Pamphlet**

This camp is a wonderful opportunity for young curlers to grow in their knowledge of the game, and to experience many of our top coaches from Ontario and other parts of Canada. This year, National coaches from Canada will be on staff full-time, as will the former National coach from Germany. The staff includes our best Provincial coaches and several graduates of the camp who have experienced success at the National level of competition. Our staff of coaches are great teachers of the sport.

Besides the development of his or her skills, each camper will meet other young people who love the sport and wish to improve. Many friendships will be developed and the possibility of forming new teams always exists. These are the young curlers who will continue to meet and compete with each other for years to come.
