## TRANSFER OF QUALIFICATIONS FROM LEVELS TO NEW NCCP

Make Ethical Decisions (MED) Policy Requirement: All coaches whose NCCP Levels qualifications are transferred to the New NCCP must complete Make Ethical Decisions within 5 years of the transfer taking effect.

\* Coaches who are granted "Trained" status must complete, as a minimum, training in MED. Coaches who fail to meet this requirement within the 5 years will be reassigned "In Training" status with credit for all criteria except MED and be restored to "Certified" status when the MED training is complete.

\*\* Coaches who are granted "Certified" status must complete the evaluation of MED. Coaches who fail to meet this requirement within the 5 years will be reassigned "In Training" status with credit for all criteria except MED and be restored to "Certified" status when the required MED evaluation is complete. Coaches who complete the MED training will be reassigned "Trained" status.

Coaches who have taken Intro to Competition A (Multisport Module) will receive credit for MED as this module is trained in that workshop.
