Competitor's Guide – 2012 The Dominion Curling Club Championships NOCA Provincials

COMPETITION FORMAT:

This event is open to the six (6) Men's and six (6) Women's teams who have qualified to compete for the chance to represent Northern Ontario at this year's The Dominion Curling Club National Championships at the Scarborough G&CC, November 18-24, 2012.

The competition format for the 2011 Dominion Provincials will be a single round robin (both male and female), with a 1 versus 2 playoff game to declare a champion for both Men and Women.

STONE SELECTION, PRACTICE & LAST STONE ADVANTAGE:

Round Robin Draws: In each draw the team listed first shall have top of the scoreboard color and practice first, beginning thirty (30) minutes prior to the posted draw time.

Last stone advantage in the first end (hammer), any format, will be decided by a draw to the button following each team's ten (10) minute practice. Within one (1) minute following the pre-game practice, a player from the team will throw a stone (full sweeping allowed) and the closest draw to the button between the two teams will receive last stone advantage in the first end. For this competition, each player on a team must deliver a minimum of one (1) draw shot for last stone advantage during the event. The draw to the button shall be played towards the home end. Should both teams record the same score in distance, the team with the better Average Draw Shot (see Competition Rules # 7) distance to that point will have last stone advantage. Prior to the first game, OR any game where the average draw shot distance is the same, ties in draw shots distance will be decided as follows:

- a) If the first team covers the button or records a distance of 185.4 cm, a second player from that team will deliver a draw to the button.
- b) If the second team records the same first throw distance as their opposition, a second player from that team will draw to the button.
- c) If the second player draw shot distances are the same, the team practicing first will toss a coin and the team practicing second will call. The winner of the coin toss will have last stone advantage in the first end.

TIE-BREAKERS DRAWS

Teams tied for a playoff position with the same record after the round robin will be involved in tie-breaker games. **The umpire will make all decisions with regard to the administration of all tie-breakers.** Additional information relative to tie-breakers and sheet assignments will be discussed by the umpire with the teams involved after the last game of the round robin. In all tie-breakers games, the team that won the round robin game between the two shall have choice of either last stone (hammer) or color, **but not both**. All teams shall use the complete set of rocks on the sheet assigned to the tie-breaker game(s).

Competitor's Guide – 2012 The Dominion Curling Club Championships NOCA Provincials

PLAYOFF DRAWS

Following the conclusion of the round robin competition and all tie-breakers, the top two (2) teams shall participate in a Championship final game. A team finishing clearly ahead of another team **will gain** last stone advantage (hammer) and **choice** of stone handle color in the playoff game. "Finishing ahead" means there is a difference in the win/loss column of the respective teams. If the teams are tied with the same record the team that won the round robin game between the two shall have choice of either last stone (hammer) or stone handle color, **but not both**.

NOTE: If a team finishes the round robin portion undefeated, they must be defeated twice in the playoff to declare a champion. In the second playoff game the team that won the round robin game shall have choice of either last stone (hammer) or stone handle color, **but not both**.

GENERAL INFORMATION:

ACCOMMODATIONS:

One hotel room per team will be provided and paid for, and another room/team reserved which teams will have to pay for.

DRESS STANDARDS:

Teams are required to wear appropriate curling apparel. Any clothing that is inappropriate as deemed by the Umpire will need to be replaced.

As a reminder please ensure all footwear is clean and free of any loose debris. The ice-team has spent countless hours preparing the surface and it is unfortunate to lose rocks to something that is totally under your control.

CRESTING/SPONSOR IDENTIFICATION

1. A team participating in a NOCA competition shall be allowed to wear non-competing sponsors' crests. If NOCA sponsor provided clothing is supplied, players are asked to wear such clothing either during games or off-ice.
2. The NOCA cresting rules allow for all teams to wear non-competing sponsors' crests. Any competing sponsors' crest will be deemed non-conforming and you will be asked to remove or cover it for the duration of the event.

OFFICIAL OBLIGATIONS:

A member of each team may be called upon to offer special thanks to the Committee, the sponsor and the NOCA at different functions during this event. You are encouraged to cooperate and participate.

MEDIA RELATIONS:

The media may be represented at this event. They will be located in the building but will not be allowed access to the dressing rooms. They will have access to you through the host committee who will approach you with any request for interviews. We ask that you cooperate with the media by granting interviews and answering questions when requested.

However a word of caution is offered – make certain that you do not make reference to anything that you do not want quoted. Also, if you have any problems or complaints, express them to the appropriate official and not the news media. Remember, there is no such thing as an “off the record” comment.

ATTENDANCE AT THE CHAMPIONSHIP:

Competitor's Guide – 2012 The Dominion Curling Club Championships NOCA Provincials

All players must arrive at the Championship at the designated time, attend all functions and remain at the event until they are eliminated. Any player leaving the competition without prior authorization will be suspended from NOCA competitions for the following year.

SCHEDULE OF EVENTS:

The official draw for each event will be sent to each registered team within five (5) days of the event closing deadline. It will also be posted on www.playdowns.com prior to the start of the competition. All scores and updates can also be found on this site.

CONDUCT:

Curling is based on a code of ethics, good sportsmanship and personal integrity. Display of emotion, broom banging, etc., which results in damage to any areas or part of the playing surface, players' dressing rooms or any other area of the curling club or hotel will result in suspension for one game. Subsequent infractions will result in suspension for the remainder of the championship. You are expected to follow this tradition and the rules of the game throughout the competition.

The consumption or use of alcoholic beverages by any player or coach at any time during a Junior or Bantam competition is strictly prohibited. This rule shall extend from the entire first day to the entire final day of play.

PENALTIES AND RULE ENFORCEMENT:

The CCA Rulebook has a number of different sections. You should take note of the section titled Rules of Curling for Officiated Play, and the NOCA Special Rules. Every rule has an enforcement procedure that will be followed at this Northern Ontario Championship.

It should be noted that there are no warnings for any infraction unless it is stated in the rulebook or brought to your attention by the Umpire prior to the start of the competition.

ATHLETE DOPING:

The Canadian Centre for Ethics in Sport may conduct unannounced doping tests.

If you have any medical issues and/or are on any medications that may cause you to fail a drug test it is your responsibility to notify the organization prior to the start of competition. **"I did not know" is not a viable answer. It is your responsibility to know what you are taking.**

The Canadian Anti-Doping Program (CADP) went into effect on January 1, 2009 and details can be reviewed or downloaded at <http://www.cces.ca>

LATE TEAM ARRIVALS:

If a team fails to arrive on time to play its first game or any subsequent games in this competition, the team will forfeit the game(s). If a team arrives too late to participate in the scheduled pre-event practice they will forfeit that right. All issues of late arrival shall be reviewed by the Head Umpire in consultation with the Competition Chairman or delegate prior to final determination. The only exception to the above rules will be severe weather that was not predicted. (i.e. Freezing rain or severe snowstorm)

DEFAULTS:

1. Where a qualifying team in a Region is unable or unwilling to continue in a competition, the team representative shall notify the NOCA Executive Director to this effect, within twenty-four (24) hours after qualifying for the next level of competition. That team will not be entitled to the position, rights, privileges and awards as it has defaulted and may

Competitor's Guide – 2012 The Dominion Curling Club Championships NOCA Provincials

be suspended. A runner-up team from that competition shall be entitled to the position, rights, privileges and awards of the team that has defaulted.

2. Each member of a team that defaults during any level of competition, subject to paragraphs 3 and 4 below, may be suspended. The length of the suspension will be determined by the NOCA Competition Committee on a case-by-case basis.
3. The NOCA Executive Director shall notify each member of a defaulting team in writing of such suspension and the method of appealing the suspension. A suspension may be appealed in writing and/or in person to the Board of Directors within a period of two (2) weeks from notification of suspension and in such event the suspension shall be lifted until the appeal is heard.
4. The suspension shall not apply to the level of competition in which the default occurred if, in the opinion of the Umpire-in-charge or Head Umpire of the NOCA, the team in question has a reasonable explanation for a default.

START OF EVENT:

1. All competitions are considered to have started one (1) hour prior to the scheduled pre-competition practice.
2. At all levels of competition, prior to the start of the first game, the umpire in charge may ask for proof of age.

TEAM MEETING:

Prior to the start of all competitions, a team meeting will be scheduled. At least one member of your team must attend the team meeting with the Umpire, other NOCA Officials, and the host committee as scheduled and before play commences. At this time any questions your team may have on the draw, officiating or rule interpretation will be discussed.

At least one player or coach from your team shall attend the team meeting, otherwise your team will forfeit last rock advantage for subsequent non-playoff games.

PRACTICE:

1. Each game shall have a pre-game practice session of ten (10) minutes per team which starts thirty (30) minutes prior to the scheduled draw time.
2. At the discretion of the Head Umpire or Umpire in Charge, a team having a bye in a competition shall be entitled to a maximum of thirty (30) minutes practice on a sheet of ice other than the sheet on which they are next scheduled to play, if ice is available.

Competitor's Guide – 2012 The Dominion Curling Club Championships NOCA Provincials

3. A team receiving a bye due to default will be permitted to practice on the sheet of ice that they would have played on for the length of time that the game would have taken.

AVERAGE DRAW SHOT:

The NOCA has adopted the new Average Draw Shot format for all competitions. This format will calculate each team's average draw shot for hammer in each game. After each draw a team will receive a score by adding their total distance of all draws and dividing by the number of games played. (average draw shot distance = total accumulated distance / number of games played) Only the team's first attempt per game shall be recorded for the average draw shot calculation. In all competitions, all players on the team must take at least one (1) attempt per competition for last stone advantage. In any event that requires teams to potentially play three (3) games or less, the team must use a different team member for each attempt until all players have made at least one (1) attempt or the team does not have any other games to play.

STONE SELECTION:

Teams shall not be permitted to select stones off other sheets of ice at the facility unless during a scheduled playoff format. (Note: Tie breakers are not included in the playoff format)

COACHING:

1. At all levels of competition, coach training will be required. All coaches must be trained as per the table below. Only qualified coaches will be granted access to the ice surface at any point during the competition. Coaches must provide their NCCP number on the team entry form.
 - a) A coach accompanying a team to a Canadian Championship must have a minimum of Competition Coach Certified or equivalent for curling and shall be at least twenty-one (21) years of age.
 - b) A coach is permitted to coach only one (1) team during any competition. This restriction includes any competitions that are run simultaneously at the same place, such as Junior Men and Women. A coach will not be permitted to coach a team in both competitions until such time as one team is eliminated.
