---

## **SENIOR REGIONAL PLAYDOWNS:**

This event is open to all male and female competitors who are a minimum of fifty (50) years of age as of December 31, 2011.

Your team has decided to participate in one (1) of the six (6) Regional playdowns being held as follows:

Region 1,3,5,6 – January 27-29, 2012

Region 2 – the week of January 23 – 29, 2012

Region 4 – January 20-22, 2012

Following are the changes to the qualifying process for the 2011-12 season:

- **The number of teams (of each gender) playing at provincials will increase from 6 to 8.**
- **Each existing region will qualify 1 team with the larger regions (regions 2 and 5) receiving 2 spots**
- **Regions 1, 3, 4, and 6 must have 2 teams participating to receive their Region's spot at provincials.**
- **Regions 2 and 5 must have 4 teams participating to receive their 2 spots at provincials.**
- **If a region does not have the required number of teams participating they will compete with the next geographically closest region. The additional spot will be awarded to the region with the most entries.**
- **For competition purposes only, Espanola and the Manitoulin Island clubs will compete with Region 5 to balance competition numbers, and reduce travel.**

## **SENIOR PROVINCIAL CHAMPIONSHIP:**

The qualifiers from each region will advance to the Senior Provincial Championships, February 23-26, 2012, in Region 6. You will be provided with a travel allowance prior to the start of the Championship.

The total entry fee is \$300 of which \$200 will be allocated as "prizes" or travel allowance. The balance is for competitor support for the teams advancing to the national event, host club support, and administrative fees for online registration and posting of results on Playdowns.com.

## **CANADIAN SENIOR CHAMPIONSHIPS**

The winning Senior Men's and Senior Women's team shall advance to Canadian Seniors March 17-24, 2012, in Abbotsford BC.

## Competitor's Guide – 2012 Senior Men & Women Regions

---

### COMPETITION FORMAT:

The preliminary competition for the 2012 Senior Regions will be (both male and female):

- One to Four teams - Double Round Robin
- Five to Seven teams - Single Round Robin
- Eight or more teams - Triple Knockout with qualifiers

In round robin draws when one team is advancing to provincials no playoff is required as the team with the top record will advance, with tie-breakers being utilized to break any ties to declare a region winner. In round robin draws when two teams are advancing to provincials, no playoff is required. Tie-breakers will be utilized to break any ties to declare the qualifiers.

In triple knockout draws the four (4) qualifying teams will play in a modified page playoff to declare the qualifier(s). In all triple knockout draws teams will be required to peer rank each team involved in the draw except their own. Final rankings will be prepared by the Executive Director.

### STONE SELECTION, PRACTICE & LAST STONE ADVANTAGE:

**Round Robin Draws:** In each draw the team listed first shall have top of the scoreboard color and practice first, beginning thirty (30) minutes prior to the posted draw time.

**Triple Knockout Draws:** In each draw the team with the better average draw shot distance to that point between the two (2) teams shall have choice of rocks or second practice but not both, and will inform their opponent a minimum of forty (40) minutes prior to the scheduled game. In any team's first game the higher seeded team shall have the choice of rocks or second practice but not both.

**Last Stone Advantage:** Last stone advantage in the first end (hammer), any format, will be decided by a draw to the button following each team's ten (10) minute practice. Within one (1) minute following the pre-game practice, a player from the team will throw a stone (full sweeping allowed) and the closest draw to the button between the two (2) teams will receive last stone advantage in the first end. For this competition, each player on a team must deliver a minimum of one (1) draw shot for last stone advantage during the event. The draw to the button shall be played towards the home end. A team utilizing a fifth player must have a minimum of four (4) different team members throw the draw for hammer during the event. Should both teams record the same score in distance, the team with the better Average Draw Shot (see Competition Rules # 7) distance to that point will have last stone advantage. Prior to the first game, OR any game where the average draw shot distance is the same, ties in draw shots distance will be decided as follows:

- a) If the first team covers the button or records a distance of 185.4 cm, a second player from that team will deliver a draw to the button.
- b) If the second team records the same first throw distance as their opposition, a second player from that team will draw to the button.
- c) If the second player draw shot distances are the same, the team practicing first will toss a coin and the team practicing second will call. The winner of the coin toss will have last stone advantage in the first end.

## PLAYOFF DRAWS

### ROUND ROBIN FORMAT:

No playoff is required unless there are teams tied for either the first place (one team advancing) or second place (two teams advancing). Tie-breakers will be used to break any ties for these positions.

Teams tied with a qualifying record after the round robin will be involved in tie-breaker games.

**The umpire will make all decisions with regard to the administration of tie-breakers.**

Additional information relative to tie-breakers and sheet assignments will be discussed by the umpire with the teams involved after the last game of the round robin.

In all tie-breaker games, the team that won the round robin game between the two shall have choice of either last stone (hammer) or color, **but not both**. If after a double round robin, the teams involved in a tie-breaker game split their round robin games, then the team with the best average draw shot shall have choice of either last stone (hammer) or color, **but not both**. All teams shall use the complete set of rocks on the sheet assigned to the tie-breaker game(s).

### TRIPLE KNOCKOUT FORMAT:

In the triple knockout draw, four (4) qualifiers will be declared with one (1) 'A', one (1) 'B' and two (2) 'C' qualifiers.

Following the conclusion of the triple knockout qualifier competition, the four (4) teams shall participate in a modified page playoff process.

When two teams advance, the 'A' and 'B' qualifiers will play in the first final for a qualifying position. The two (2) 'C' Qualifiers will participate in a semi-final with the winner advancing to play the loser of the 'A vs B' final for the other qualifying position.

A team finishing clearly ahead of another team **will gain** last stone advantage (hammer) in any Page Playoff. "Finishing ahead" means there is a difference in the qualifying position of the respective teams. Top qualifier is the 'A' qualifier followed by the 'B' qualifier and the two (2) 'C' qualifiers. The highest ranking team **will also have** choice of stones from all stones used in the event. (a full set of stones must be chosen)

When the qualifying position of the two teams involved in a Page Playoff game(s) is the same, the team with the better average draw shot shall have choice of either last stone (hammer) or colour **but not both**.

## **GENERAL INFORMATION:**

### **ACCOMMODATIONS:**

It is your team's responsibility to reserve your own rooms at one of the host venues.

### **DRESS STANDARDS:**

Teams are required to wear appropriate curling apparel. Any clothing that is inappropriate as deemed by the Umpire will need to be replaced.

As a reminder please ensure all footwear is clean and free of any loose debris. The ice-team has spent countless hours preparing the surface and it is unfortunate to lose rocks to something that is totally under your control.

### **CRESTING/SPONSOR IDENTIFICATION**

1. A team participating in a NOCA competition shall be allowed to wear non-competing sponsors' crests. If NOCA sponsor provided clothing is supplied, players are asked to wear such clothing either during games or off-ice.
2. The NOCA cresting rules allow for all teams to wear non-competing sponsors' crests. Any competing sponsors' crest will be deemed non-conforming and you will be asked to remove or cover it for the duration of the event.

### **OFFICIAL OBLIGATIONS:**

A member of each team may be called upon to offer special thanks to the Committee, the sponsor and the NOCA at different functions during this event. You are encouraged to cooperate and participate.

### **MEDIA RELATIONS:**

The media may be represented at this event. They will be located in the building but will not be allowed access to the dressing rooms. They will have access to you through the host committee who will approach you with any request for interviews. We ask that you cooperate with the media by granting interviews and answering questions when requested.

However a word of caution is offered – make certain that you do not make reference to anything that you do not want quoted. Also, if you have any problems or complaints, express them to the appropriate official and not the news media. Remember, there is no such thing as an "off the record" comment.

### **ATTENDANCE AT THE CHAMPIONSHIP:**

All players must arrive at the Championship at the designated time, attend all functions and remain at the event until they are eliminated. Any player leaving the competition without prior authorization will be suspended from NOCA competitions for the following year.

## Competitor's Guide – 2012 Senior Men & Women Regions

---

### **SCHEDULE OF EVENTS:**

The official draw for each event will be sent to each registered team within five (5) days of the event closing deadline. It will also be posted on [www.playdowns.com](http://www.playdowns.com) prior to the start of the competition. All scores and updates can also be found on this site.

### **CONDUCT:**

Curling is based on a code of ethics, good sportsmanship and personal integrity. Display of emotion, broom banging, etc., which results in damage to any areas or part of the playing surface, players' dressing rooms or any other area of the curling club or hotel will result in suspension for one game. Subsequent infractions will result in suspension for the remainder of the championship. You are expected to follow this tradition and the rules of the game throughout the competition.

The consumption or use of alcoholic beverages by any player or coach at any time during a Junior or Bantam competition is strictly prohibited. This rule shall extend from the entire first day to the entire final day of play.

### **PENALTIES AND RULE ENFORCEMENT:**

The CCA Rulebook has a number of different sections. You should take note of the section titled Rules of Curling for Officiated Play, and the NOCA Special Rules. Every rule has an enforcement procedure that will be followed at this Northern Ontario Championship.

**It should be noted that there are no warnings for any infraction unless it is stated in the rulebook or brought to your attention by the Umpire prior to the start of the competition.**

### **ATHLETE DOPING:**

The Canadian Centre for Ethics in Sport may conduct unannounced doping tests.

If you have any medical issues and/or are on any medications that may cause you to fail a drug test it is your responsibility to notify the organization prior to the start of competition. **"I did not know" is not a viable answer. It is your responsibility to know what you are taking.**

The Canadian Anti-Doping Program (CADP) went into effect on January 1, 2009 and details can be reviewed or downloaded at <http://www.cces.ca>

Each athlete must also be a fully paid member of a member facility within Northern Ontario and have paid their annual NOCA per capita fee.

### **ELIGIBILITY AND REGISTRATION**

1. A player shall be eligible to play in an NOCA competition whether or not it leads to a Canadian Championship provided he/she has paid the approved NOCA per capita fee and is a member of a NOCA member facility immediately prior to and at all times during the competition, and meets the following criteria:

- a) Is a bona fide resident within the defined geographical jurisdiction of the NOCA on October 1<sup>st</sup>, 2011 and at all times thereafter to the end of the competition. (A bona fide resident is defined as one who lives in a house or dwelling within the jurisdiction of the NOCA and is a resident or citizen of Canada). The NOCA reserves the right to verify residency of any athlete competing.

The only exception to this clause shall be members of the Canadian Forces, University or College students who are attending school on a full time basis outside their Province of permanent residence or in the Province where the athlete attends school, as well as others who apply for and receive an exemption from the NOCA Board of Directors.

- c) All competitors in events leading to a National Championship must be residents and/or citizens of Canada. Exception: Men's and Women's Championships, all competitors must be residents AND citizens of Canada.
- d) Teams may be formed of any players from across the entire NOCA regions/jurisdiction. One member of the team must belong to the member facility in which the team is registered and actually have a domicile in that Region. All teams are responsible to have the member facility sign their registration form accepting the affiliation of their team.

A team consists of four players and does not include the fifth or coach.

2. For competitive play, it is the responsibility of the team to complete and submit the following forms to the NOCA office, one (1) week prior to the start of the event:
  - a) Team Member Registration and Member Facility Certification Form
  - b) Participation Agreement
  - c) Consent form and proof of age for athletes under the age of 18

## Competitor's Guide – 2012 Senior Men & Women Regions

---

3. A team advancing to the next level of competition **must** retain three (3) of the original team members as shown on their team and member facility certification form.
  - a) Teams may only add one (1) player who has played in a previous level of the competition, including fifth players. (see notwithstanding below)
  - b) Teams may declare a fifth player prior to the start of any level of competition.

Notwithstanding rule 3 (a) the competition committee may allow a second substitution under extenuating circumstances only. Teams may apply for special consideration to the committee and the decision of the committee is final.

### COMPETITION ENTRY

1. For all levels of competitions, each NOCA member facility is allowed unlimited entries at the first level of competition.
  - a) **Entry deadline is 11:59 pm on the stated closing date as per the competition schedule.** Entries to all competitions shall be submitted by the respective teams via the online registration system (NOCA website) prior to the entry deadline. It is the teams' responsibility to verify that their entry fee has been received. Team personnel need to be declared on the team entry registration.
  - b) Online entries will be paid for at the time of entry and require a signed NOCA Team Registration and Member Facility Certification and Participation Agreement to be sent to the NOCA office one (1) week prior to the start of the competition.
  - c) The NOCA Executive Director will not accept entries after the stated deadline (no exceptions).
  - d) Request for refund of entry fees will be reviewed on an individual basis, but as a standard policy, no refunds will be issued after the entry deadline.
  - e) An administrative fee will be assessed on any approved refunds.
2. A CCA competitor fee must be paid to be eligible for participation in Men's, Women's, Mixed, and Senior competitions. This fee is included in your entry for the first level of competition.
3. All competitors of minor age must submit a parental consent form with their official team competitive entry form.

### LATE TEAM ARRIVALS:

If a team fails to arrive on time to play its first game or any subsequent games in this competition, the team will forfeit the game(s). Illness, accident or extenuating circumstances will not be considered unless the number of teams involved makes it impossible for the competition to continue. If a team arrives too late to participate in the scheduled pre-event practice they will forfeit that right. All issues of late arrival shall be reviewed by the Head Umpire in consultation with the Competition Chairman or delegate prior to final determination. The only exception to the above rules will be severe weather that was not predicted. (i.e. Freezing rain or severe snowstorm)

### DEFAULTS:

1. Where a qualifying team in a Region or Challenge Round is unable or unwilling to continue in a competition, the team representative shall notify the NOCA Executive Director to this effect, within twenty-four (24) hours after qualifying for the next level of competition. That team will not be entitled to the position, rights, privileges and awards as it has defaulted and may be suspended. A runner-up team from that competition shall be entitled to the position, rights, privileges and awards of the team that has defaulted.
2. Each member of a team that defaults during any level of competition, subject to paragraphs 3 and 4 below, may be suspended. The length of the suspension will be determined by the NOCA Competition Committee on a case-by-case basis.
3. The NOCA Executive Director shall notify each member of a defaulting team in writing of such suspension and the method of appealing the suspension. A suspension may be appealed in writing and/or in person to the Board of Directors within a period of two (2) weeks from notification of suspension and in such event the suspension shall be lifted until the appeal is heard.
4. The suspension shall not apply to the level of competition in which the default occurred if, in the opinion of the Umpire-in-charge or Head Umpire of the NOCA, the team in question has a reasonable explanation for a default.

### START OF EVENT:

1. All competitions are considered to have started one (1) hour prior to the scheduled pre-competition practice.
2. At all levels of competition, prior to the start of the first game, the umpire in charge may ask for proof of age.

### TEAM MEETING:

Prior to the start of all competitions, a team meeting will be scheduled. At least one member of your team must attend the team meeting with the Umpire, other NOCA Officials, and the host committee as scheduled and before play commences. At this time any questions your team may have on the draw, officiating or rule interpretation will be discussed.

**At least one player or coach from your team shall attend the team meeting, otherwise your team will forfeit last rock advantage for subsequent non-playoff games.**

## Competitor's Guide – 2012 Senior Men & Women Regions

---

### **PRACTICE:**

1. All events will have a pre-competition practice session of ten (10) minutes per team per competition sheet as scheduled. Each game shall also have a pre-game practice session of ten (10) minutes per team which starts thirty (30) minutes prior to the scheduled draw time.
2. At the discretion of the Head Umpire or Umpire in Charge, a team having a bye in a competition shall be entitled to a maximum of thirty (30) minutes practice on a sheet of ice other than the sheet on which they are next scheduled to play, if ice is available.
3. A team receiving a bye due to default will be permitted to practice on the sheet of ice that they would have played on for the length of time that the game would have taken.

### **AVERAGE DRAW SHOT:**

The NOCA has adopted the new Average Draw Shot format for all competitions. This format will calculate each team's average draw shot for hammer in each game. After each draw a team will receive a score by adding their total distance of all draws and dividing by the number of games played. (average draw shot distance = total accumulated distance / number of games played) Only the team's first attempt per game shall be recorded for the average draw shot calculation. In all competitions, all players on the team must take at least one (1) attempt per competition for last stone advantage. In any event that requires teams to potentially play three (3) games or less, the team must use a different team member for each attempt until all players have made at least one (1) attempt or the team does not have any other games to play.

### **STONE SELECTION:**

Teams shall not be permitted to select stones off other sheets of ice at the facility unless during a scheduled playoff format. (Note: Tie breakers are not included in the playoff format)

### **COACHING:**

1. At all levels of competition, coach training will be required. All coaches must be trained as per the table below. Only qualified coaches will be granted access to the ice surface at any point during the competition. Coaches must provide their NCCP number on the team entry form.
  - a) A coach accompanying a team to a Canadian Championship must have a minimum of Competition Coach Certified or equivalent for curling and shall be at least twenty-one (21) years of age.
  - b) A coach is permitted to coach only one (1) team during any competition. This restriction includes any competitions that are run simultaneously at the same place, such as Junior Men and Women. A coach will not be permitted to coach a team in both competitions until such time as one team is eliminated.
